

Easiest

Electronic Access To Securities Information and Execution of Secured Transaction

CDSL's internet based facility **easiest** permits CMs or BOs to submit off-market, on-market, inter-depository and early pay-in debit instructions from their demat account. Moreover, all the facilities and benefits of **easi** are available to BOs registered for **easiest**.

ADVANTAGES OF easiest

- ✓ Demat account holders (including Clearing Members) subscribing to this facility can submit delivery instructions to their DP's through **easiest** website www.cdslindia.com, instead of submitting delivery instruction slips (in paper form) to their DP's
- ✓ The registration and usage of this service is free of cost.
- ✓ It helps save your valuable time as well as money by eliminating the requirement to submit your DIS slip to DP..
- ✓ You can operate your demat accounts from anywhere in the world.
- ✓ You can transfer securities 24 hours a day, 7 days a week through Internet.
- ✓ It also saves cost incurred on paper/printing and the DIS books.
- ✓ It eliminates system-related problem developed at the DP's end, as you are directly connected to Depository CDSL through easiest.
- ✓ It gives the highest level of safety in your Demat Account, as you are directly connected to Depository (CDSL).
- ✓ You can Check Holding balances in your account, submit the instructions and track its status.

There are two types of account transfers available on easiest

- a. **Trusted account - Transfers:** Permits transfer of securities from a BO account to the settlement accounts of any 4 CMs in CDSL, which have been pre-notified by the BO.
- b. **Account of choice - Transfers:** Permits transfer of securities from a BO account to any other demat account including the CM settlement accounts. All the transactions are authenticated by means of a digital signature, provided by CDSL at a very nominal cost.
